

Nature's Wings in Bloom!

Little artists explored nature by printing leaves and creatively transforming them into colorful butterflies.

Fun with Alphabets!

Our little learners had a joyful time matching letters with their corresponding pictures. This engaging activity enhanced their letter recognition, vocabulary building and cognitive skills while making learning super fun and interactive!

Play, Sort, and Solve — Learning with Fun!”

During free play, our curious learners engaged in fixing pegboard puzzles and sorting different shapes. This playful activity boosted their problem-solving skills, hand-eye coordination and shape recognition while keeping the fun alive!
