

A Day to Roar, Craft and Explore Tigers!

On International Tiger Day, our little artists turned into wild explorers as they crafted their own tiger masks. With stripes, smiles and lots of roar, they celebrated the majestic tiger in a fun-filled way!

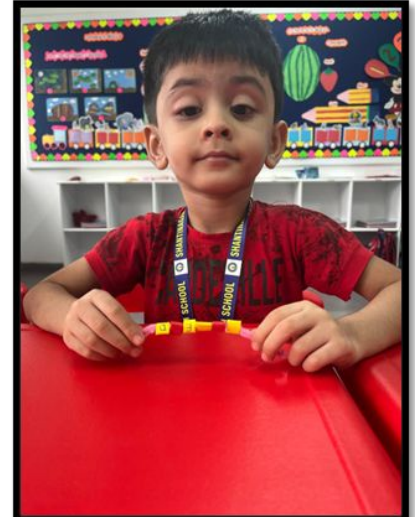

Our curious little ones learned fascinating tiger facts and embraced their wild side! Wearing their handmade tiger masks, they roared with excitement to celebrate the Tiger Day!

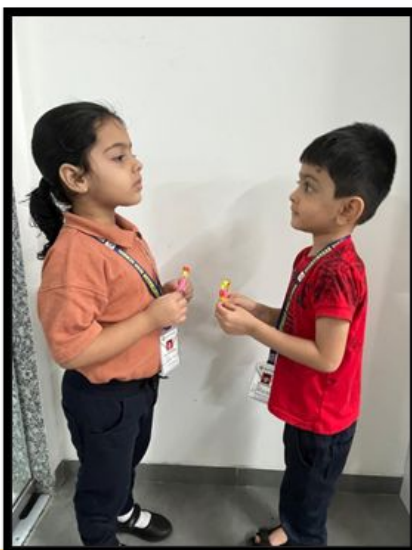

Tied With Love, Bonded Together!

Children celebrated Friendship Day by making colorful friendship bands and tying them on their friends' wrists with love and laughter. The joy of bonding and togetherness filled the day with smiles and warm hugs!
