

Eco-friendly Festivities With Bappa's Blessings

Our little Starz celebrated Ganesh Chaturthi with devotion and joy-learning about the significance of Lord Ganesha, the meaning of his divine body parts, and the importance of eco-friendly idols and immersion.

Children joined together in doing Ganesh Aarti, celebrating the festival with love, faith and happiness.

Children molded their own clay Ganesha idols and took them home with pride and joy.

With smiles and giggles all around, tiny feet tapped to the beat!

Children enjoyed dancing joyfully on 'O My Friend Ganesha', filling the celebration with festive cheer.
