

Guiding Lights, Shaping Futures!

Teachers beautifully explained the significance of Teacher's Day, reminding children of the love, dedication and guidance that make every teacher a mentor for life.

Children expressed
their love and
gratitude by offering
roses to their teachers,
filling the day with
warmth and smiles!

TEACHER'S
DAY**

SMART CHOICES, HEALTHY SMILES!

Children enjoyed sorting healthy and junk foods, learning the importance of making the right choices for a strong body and mind.

This fun activity nurtured awareness about good eating habits from an early age.
