

Chop, Stick & Learn The Trick!

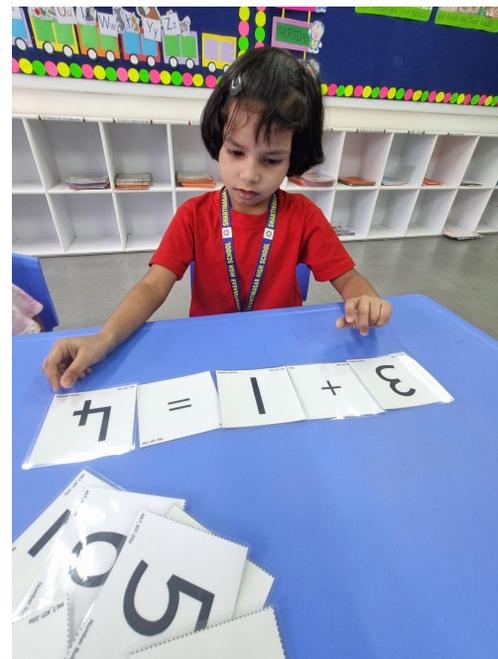

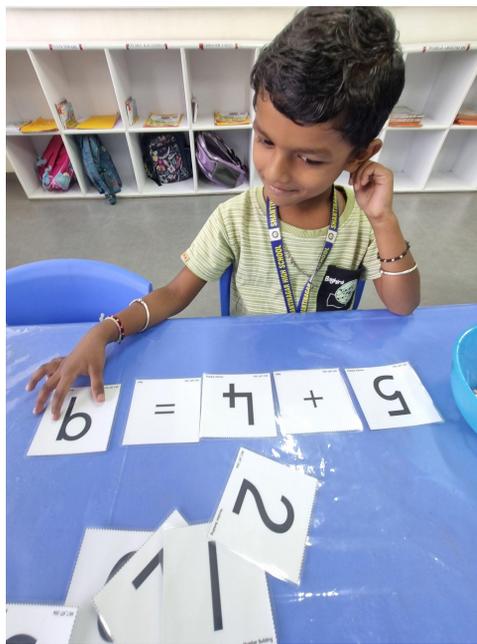

Children enjoyed a fun hands-on activity by chopping Velcro toy vegetables, practicing the motions of cutting safely. This playful experience helped build fine motor skills, hand-eye coordination, and introduced them to healthy eating habits through pretend play!

Puppet Tales Come Alive!

Children had delightful time narrating the story “Bunny and His Friends” using adorable puppets. Through this fun storytelling session, they explored imagination, expression and the joy of bringing characters to life!

Adding Fun, One Card At A Time!

Our young mathematicians practiced addition using number flashcards, joyfully combining numbers to find the total. Through this hands-on activity, they strengthened their number sense, logical thinking, and confidence in early math!
