

Dab, Press & Create a Splash Of Colours!

Little hands explored colours and textures through a joyful tissue paper dabbing activity. This activity helped children strengthen fine motor skills, hand-eye coordination and creativity.

Fluffy Snowman & Winter Fun!

Children enjoyed creating adorable snowman using soft cotton collage. This winter craft encouraged creativity, sensory exploration and fine motor skill development while bringing the joy of the chilly season in the classroom.

Snip By Snip, Skills Take Shape!

Children practiced cutting along outlines to develop essential scissor skills. This activity strengthened fine motor control, hand-eye coordination and concentration while helping little learners gain confidence in using scissors safely.
