

## Phonics Fun Match Up!

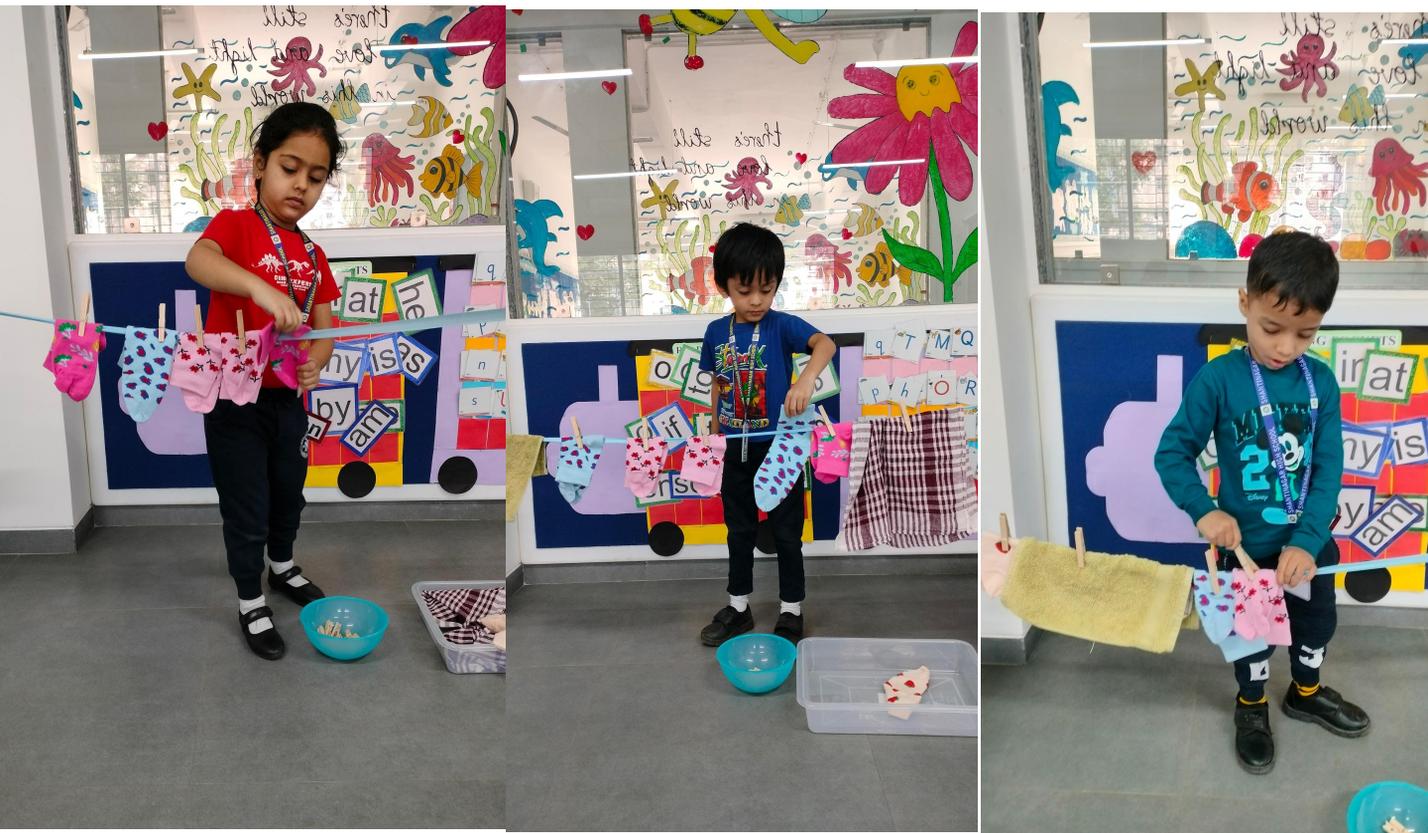

Children engaged in an exciting *Letter–Picture Matching* activity where they connected alphabet letters to their corresponding pictures.

This hands-on experience strengthened their phonics awareness, vocabulary and visual recognition skills while making learning interactive and fun. The activity also enhanced concentration and early literacy development through play-based exploration.

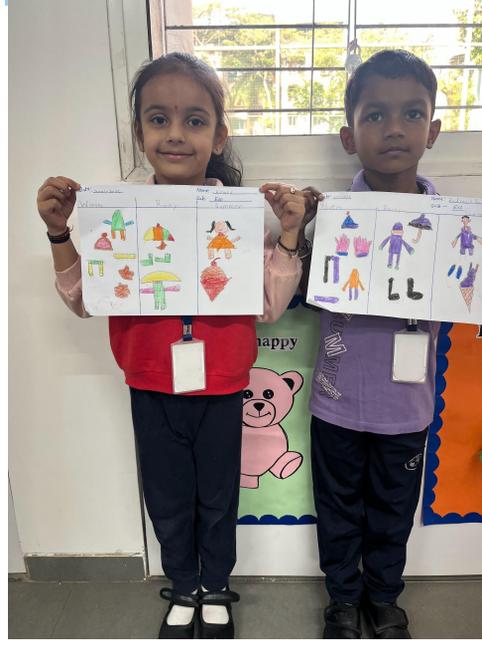

## Tiny Tots, Laundry Day!

Learners enjoyed a fun life-skill activity of drying clothes on the cloth line using pegs. As they pinned each cloth carefully, they developed fine motor strength, hand-eye coordination, and finger grip. This hands-on experience also fostered independence, responsibility and practical life learning in an engaging way.

# Season Smart Creations!

Children explored the concept of different seasons through a creative *Draw and Colour* activity. They illustrated and coloured things we use in various seasons. This activity enhanced their understanding of seasonal changes, boosted creativity, and strengthened fine motor and colouring skills while making learning meaningful and fun.
